In turn, these relationships can help you to successfully operate your business and significantly enhance your quality of life in Tolland County.

To Join

Like any business and professional organization, the Tolland County Chamber of Commerce has membership criteria, a membership application, an annual dues schedule, and a vetting process by which the Leadership Board votes to allow prospective members to officially join.

Membership Information

Members are assigned to business categories and their dues are then based on number of employees (number of branches/offices for financial institutions). The date of application is the date used to determine the number of employees. Renewals are based on August 15th of that year. One principal (owner, partner) counts with initial base with all others counting as employees, whatever their affiliation is. Part time employees are counted based on hours worked on average to equate to full-time equivalent (i.e. 20 hour worker is .5 employee in the total count.
